AIFC Creates New Path of Capital

Leading IFC in the region

AIFC is strategically positioned to service the growing market of Central Asian countries and neighboring CIS countries, which encompass a region with a combined **GDP of \$2.75 trillion** and a **population of 252 mln** people

Astana is the highest ranked city in the region (GFCI 38 as of September 2025)

What is AIFC?

Astana International Financial Centre is a rapidly developing financial hub in the capital city of Kazakhstan.

With its cutting-edge infrastructure and favorable business environment, AIFC is quickly becoming a hub for global investment, innovation, and growth.

AIFC: A Distinctive Financial Centre Bridging East and West

Astana International Financial Centre stands as a bridge between Europe and Asia, and connects leading global financial centres as well as enables the flow of capital, expertise, and innovation across borders.

As the only Common Law jurisdiction in the region, it provides a familiar and trusted legal environment for international investors.

Dynamic and Growing Market

The AIFC provides a high-quality environment and a dynamic ecosystem that is suitable for any type of business with the potential for significant growth

5 900+
